

ACIC Yearly Activities

Present annual immunization conference

Network with local, state, and national coalitions

Conduct quarterly meetings

Promote national health observances

Support community outreach

Partner with schools to promote childhood, adolescent, and adult immunizations

Create and launch campaigns to raise immunization awareness in Allegheny County

Organize community immunization clinics

Immunizations protect you, your family, and community

Visit Our Website

www.ImmunizeAllegheny.org

On our site you will find:

Current immunization news

School Immunization regs

Immunization schedules

Resources for parents

Health care provider resources

Link to PA- SIIS

Links to websites you can trust

Coalition calendar of events

Information for pharmacists

And more!

Immunizations are for **EVERYONE**

Join our growing coalition!

Our members are physicians, nurses, pharmacists, teachers, human service staff, and community members interested in promoting immunizations for healthy communities.

WE NEED YOU!

Please email ACIC at NScopelitis@achd.net for membership information and on-line registration link.

Allegheny County Immunization Coalition

Our goal...
Community Immunity

Mission statement
Promoting immunizations
across the lifespan
