**Join Us in Making a Difference!**

**Donate:** Contribute to our Amazon Wish List. Your support provides essential resources to those in need.

**Meet Katie Van Tornhout:** Katie, a mother of four, became an advocate for vaccinations after losing her baby, Callie, to pertussis. Recognized by the CDC as an Immunization Champion in 2015 she educates parents on the importance of vaccination.

**About Callie Cares:** Katie and her husband run Callie Cares, which supports families in hospitals and promotes Tdap vaccination awareness. Their mission is to prevent other families from experiencing the same heartbreak.

**Why Donate?:** Your donations directly support

**Providing comfort to families in hospitals**
